About this policy

The Expenses and Honoraria policy for Patient and Public Involvement and Engagement (PPIE) activities provides payment guidance to public members contributing to the work of HDR UK.

If you agree to participate in HDR UK PPIE activities, you will be invited to familiarise yourself with this policy to ensure the successful payment of related honoraria and reimbursement of expenses. Please note that choosing to participate in HDR UK PPIE activities does not create an employment relationship between you and HDR UK. In order for HDR UK to maintain transparency and objectivity, you must disclose any conflicts of interest, including whether you have connections or relationships with PPIE staff members that predate your participation in these activities. If you are unsure, please contact the PPIE team for advice. You have the right to withdraw from any PPIE activity at any point, though this may impact your honoraria payment.

Eligibility criteria

Any member of the public over 18 is eligible to take part in PPIE activities and receive payments of related honoraria and reimbursement of expenses. With the term 'public', we refer to patients, potential patients, carers, and people who use health and social care services.

Commitment to Equality Diversity and Inclusion

It is widely recognised that public contributors may face barriers to participate in PPIE activities, some of which can be addressed by ensuring our honoraria and expenses policy encourages fair payment and avoids bias or discrimination. Everyone's personal circumstances are different, and this policy cannot address all possible scenarios. However, we are committed to taking action to resolve any challenges you may experience. Please contact the PPIE team at honoraria@hdruk.ac.uk if you have any suggestions for improvement.

Further information

Please contact the PPIE team at honoraria@hdruk.ac.uk if you have any questions about this policy or require assistance in submitting your honoraria and expenses.

Honoraria

We offer honorarium payments as an acknowledgement of your contribution to the work of HDR UK. Any invitation to participate in PPIE activities will clearly state the eligibility for an honorarium. You retain the right to decline payment or ask for payment of a lower value at any time.

Honoraria and Personal Finances

Everyone’s personal circumstances are different. Accepting payment may have implications on your personal tax and / or any Benefit claims, as the payments may be treated as earnings. Unfortunately, HDR UK is not able to offer expert advice on how payments may affect you, as this is a complex area, and it would be difficult to cover everyone’s individual circumstances. We strongly advise you to get expert advice about your own personal financial circumstances before accepting payment for involvement in our PPIE activities.

You are responsible for your own tax. HDR UK does not deduct tax at source and will not pay or reimburse personal tax costs or benefit claims. It is your choice whether or not to accept any payment from HDR UK for your participation in HDR UK PPIE activities.

Changes to honoraria

If details of the activity change, you will be notified. If the activity is cancelled without reasonable notice - that is 48 hours for in-person and 24 hours for online activities - HDR UK will honour the honoraria. You retain the right to decline the payment or ask for a lower value.

Payment of honoraria

The first time you agree to participate in HDR UK PPIE activities, you will be asked to provide your bank details and any other information we require to make payments to you. This information will be kept confidential and stored in a password-protected database in line with the General Data Protection Regulation.

You will also receive an invitation to register to the HDR UK's Continia system. This will grant you access to a portal where you can upload the honorarium receipts received for your contribution to the work of HDR UK. If you need assistance with registering on Continia, please contact the PPIE team.

You will be provided with a Continia step-by-step guide and will be offered drop-in sessions to ensure you become familiar with the process. Should there be any issues with claiming honoraria through Continia, please contact the PPIE team, and they will provide assistance.

All claims submitted through Continia will be reviewed, and payment will be made as soon as possible following final approval by the PPIE team. HDR UK makes payments through bank

transfer. Under normal circumstances, from submission to payment, the process takes no longer than three weeks, but this timeframe might vary if registration is necessary.

The process for declining honoraria entails informing the PPIE team and not uploading the honorarium receipts to the portal.

Expenses

You may be eligible for the reimbursement of expenses where this is explicitly stated on the invitation and where expenses are in line with the policy below.

Any reimbursements will be made through Continia (see section 'Payment of honoraria' for more information) once appropriate evidence has been provided and approved by the PPIE team. Any expenses incurred in a currency other than in Great Britain Pounds (GBP) will be reimbursed at the exchange rate as at the date of the claim calculated by HDR UK.

HDR UK does not pay expenses in advance unless exceptional circumstances apply. This will be reviewed on a case-by-case basis and will require PPIE team approval.

The policy below covers the most common expense scenarios. If there are any circumstances not covered below or you have any questions, please contact the PPIE team for advice before you spend any money.

When planning your journey, you should make the cheapest/value for money travel arrangements, using public transport, unless this is unavailable or inaccessible. HDR UK are not responsible for booking your travel unless exceptional circumstances apply. This will be reviewed on a case-by-case basis and will require PPIE team approval.

- **Rail and Underground**

Failure to do so will result in delays in processing your claim and may result in only part-payment of your expenses.
- HDR UK will not reimburse missed travel connections, or any additional costs caused by missing pre-arranged or pre-booked travel unless exceptional circumstances apply. This will be reviewed on a case-by-case basis and will require PPIE Team approval.

- Prior approval from the PPIE team is required for flights.
- Only Economy class flights will be considered for reimbursement.

- **Extending a Trip**

- If you extend your trip beyond the requirements of your contribution, you must pay any additional costs incurred.
