DARE UK

Breaking barriers, building community: Exploring DARE UK community groups

Lunchtime Public Webinar, 20th July 2023

Agenda for today

12:00-12:05: Welcome

Westley Igbo, DARE UK

12:05-12:25: What are DARE UK community groups, and how can you get involved?

Balint Stewart, DARE UK

12:25-12:40: Case study: the UK Trusted Research Environment (TRE) Interest Group

Hari Sood, The Alan Turing Institute

12:40-13:00: Q&A and discussion

House Rules

- Please remain **muted** at all times, unless invited to ask a question during the Q&A session
- To ask a question during the Q&A session: please use the **'raise hand' function** if you wish to ask a question out loud; or you can ask your question via the **Chat box** before and during the Q&A session
- During the discussion, please remain respectful, do not interrupt others and ensure any questions or comments remain on-topic
- Please keep your **video** off during presentations – you are encouraged to turn your video on during the Q&A/discussion session
- The webinar is being **recorded**

DARE UK (Data and Analytics Research Environments UK)

What question are we trying to answer?

"How should a national data research infrastructure be designed so that sensitive data can be connected and analysed in a secure, flexible, efficient and sustainable way for public good?"

What are DARE UK Community Groups?

Balint Stewart, Programme Manager, DARE UK delivery team

slido

In a single word or short phrase, describe what makes a community

ⓘ Start presenting to display the poll results on this slide.

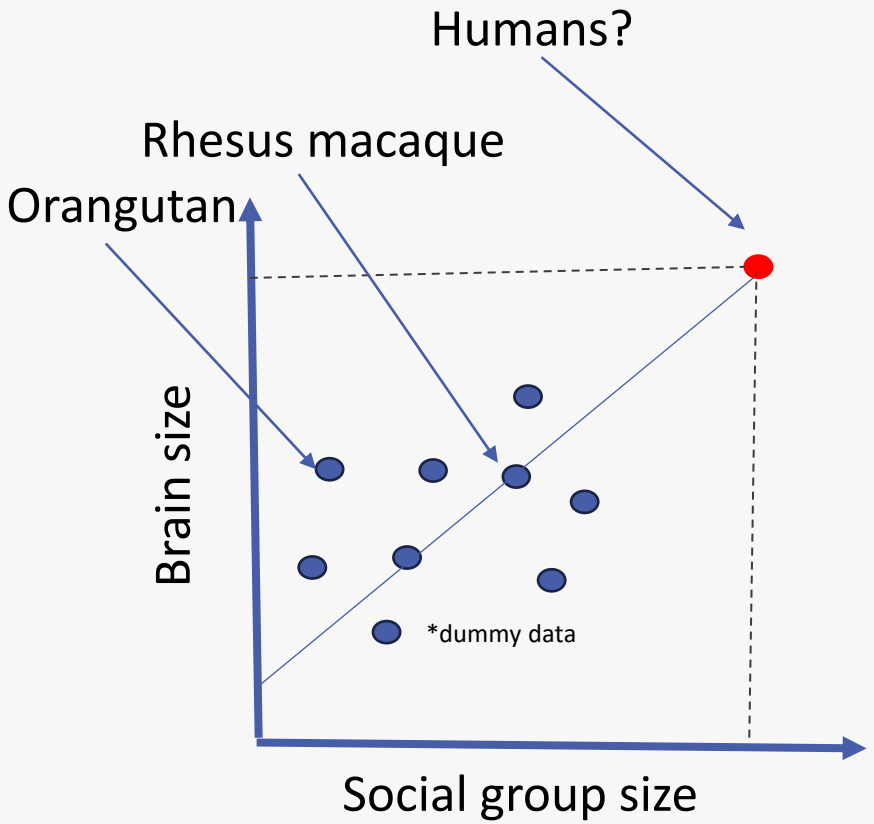
slido

In a single word or short phrase, describe what makes an organised community effective

ⓘ Start presenting to display the poll results on this slide.

How might community cohesion scale with size?

Prof. Robin Dunbar



Non-human primate group size correlates with brain size, the bigger the brain of the primate, the bigger the group size. So what about humans?

www.ippl.org
https://www.psy.ox.ac.uk/people/robin-dunbar

slido

What is the estimated number of stable relationships a human can sustain at any one time ('Dunbar's' number)?

DARE UK Community Groups (The 'what')

Modelled on the Research Data Alliance community groups: open invitation for people to submit proposals that align with the DARE UK vision and objectives

Community Charter

Common, specific ***purpose***

Code of conduct

Clear ***rules and expectations***

Co-Chair leadership

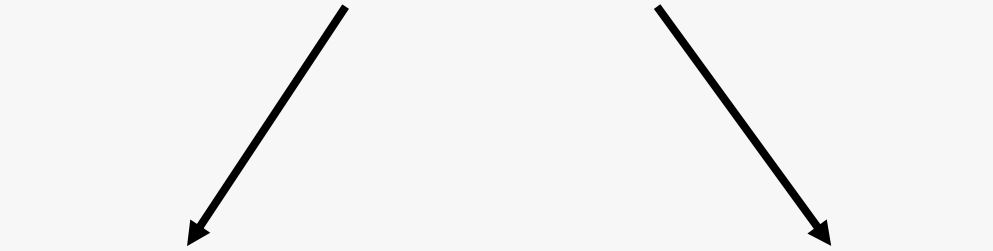
Identifiable, motivated leadership for ***community coordination***

Open publishing

Transparent

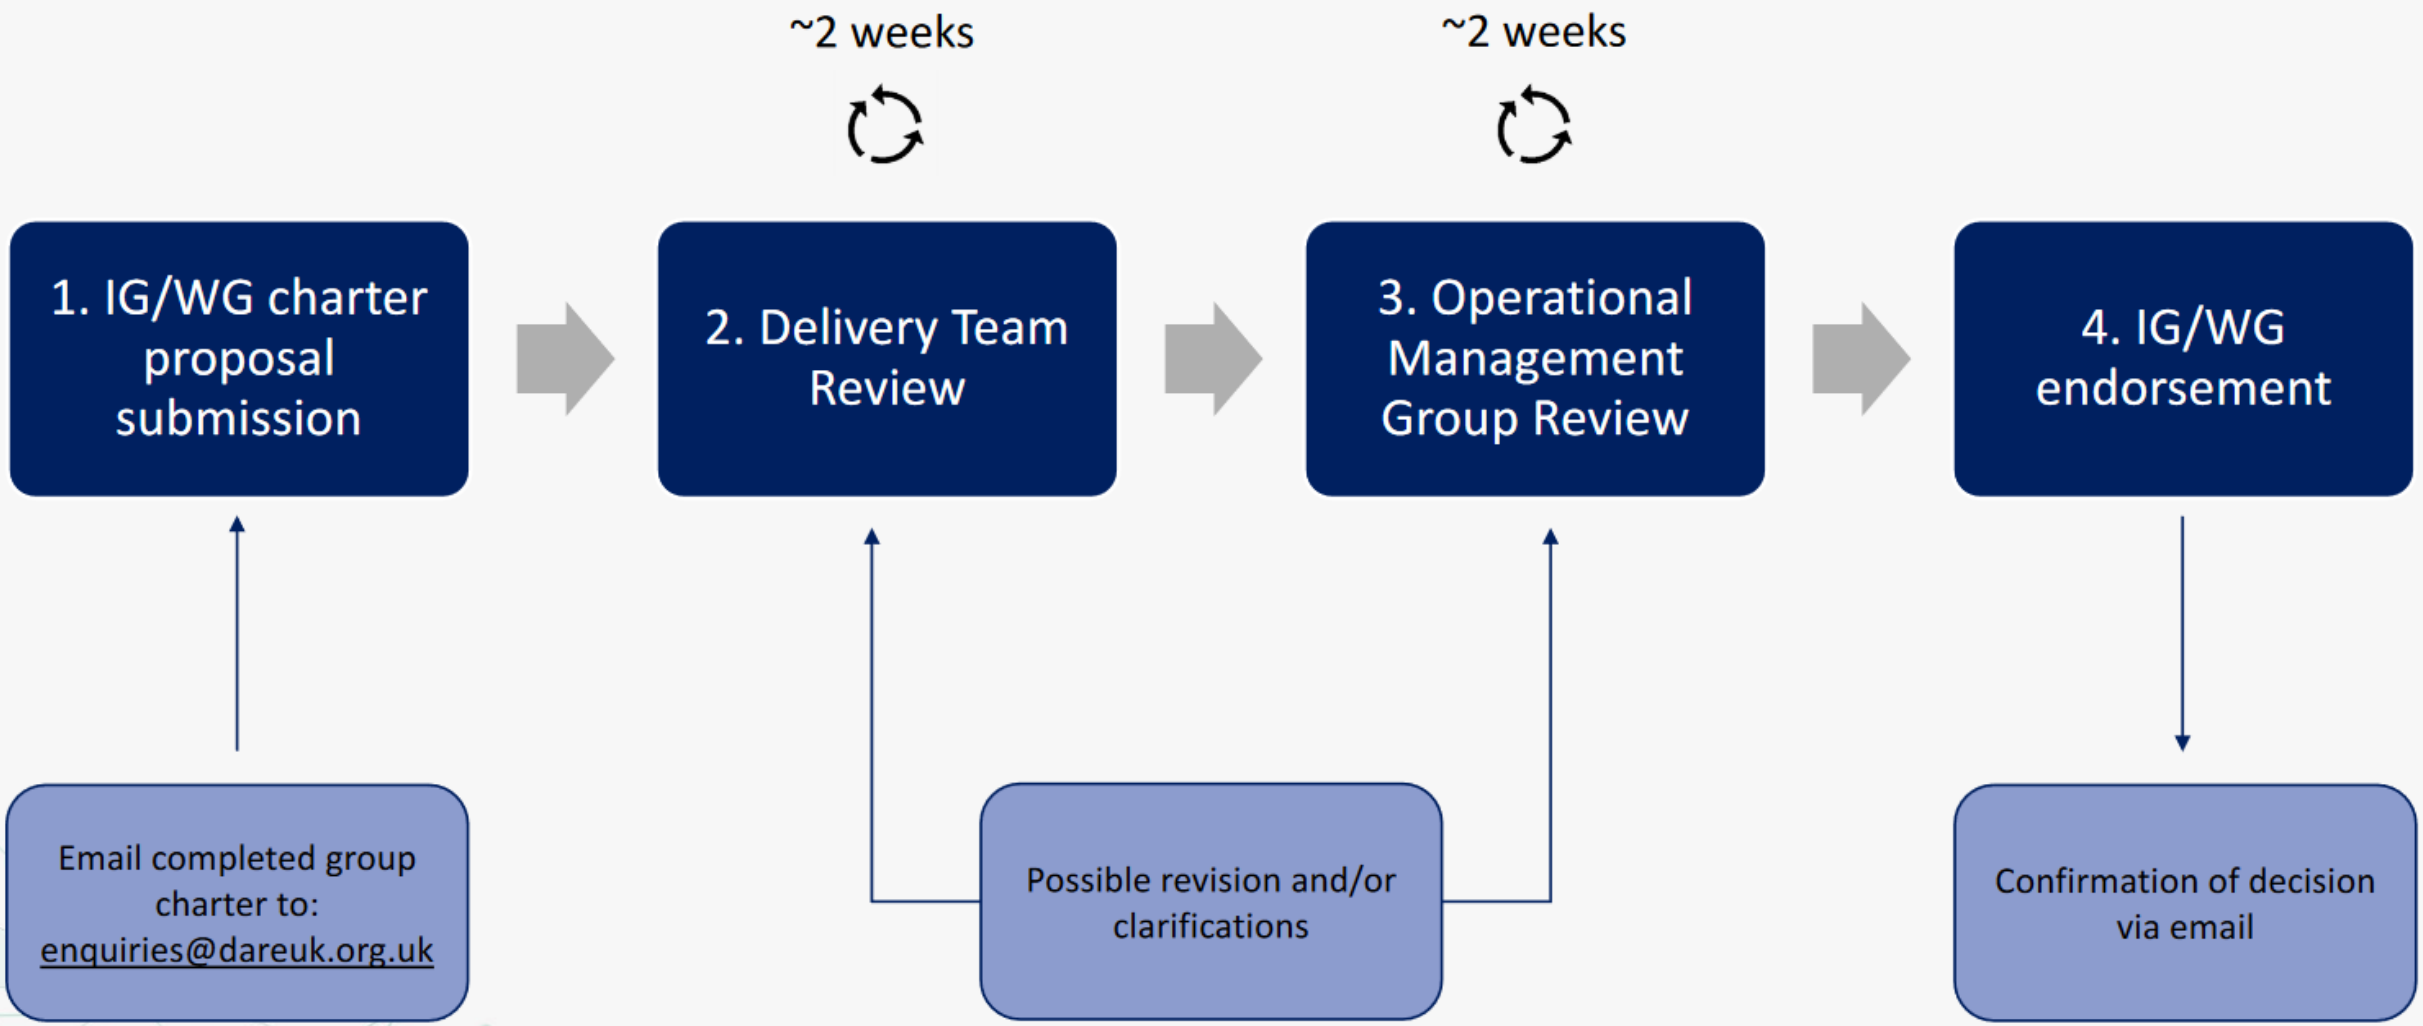
Different kinds of DARE UK community groups for different functions…

1) Interest Groups



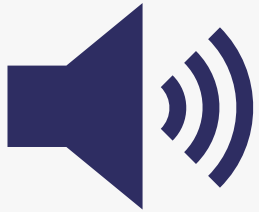
2) Working Groups

How do you become a DARE UK Community Group?



Why put forward a proposal for a DARE UK Community Group?

Secretariat support



Comms support

Public-facing website presence

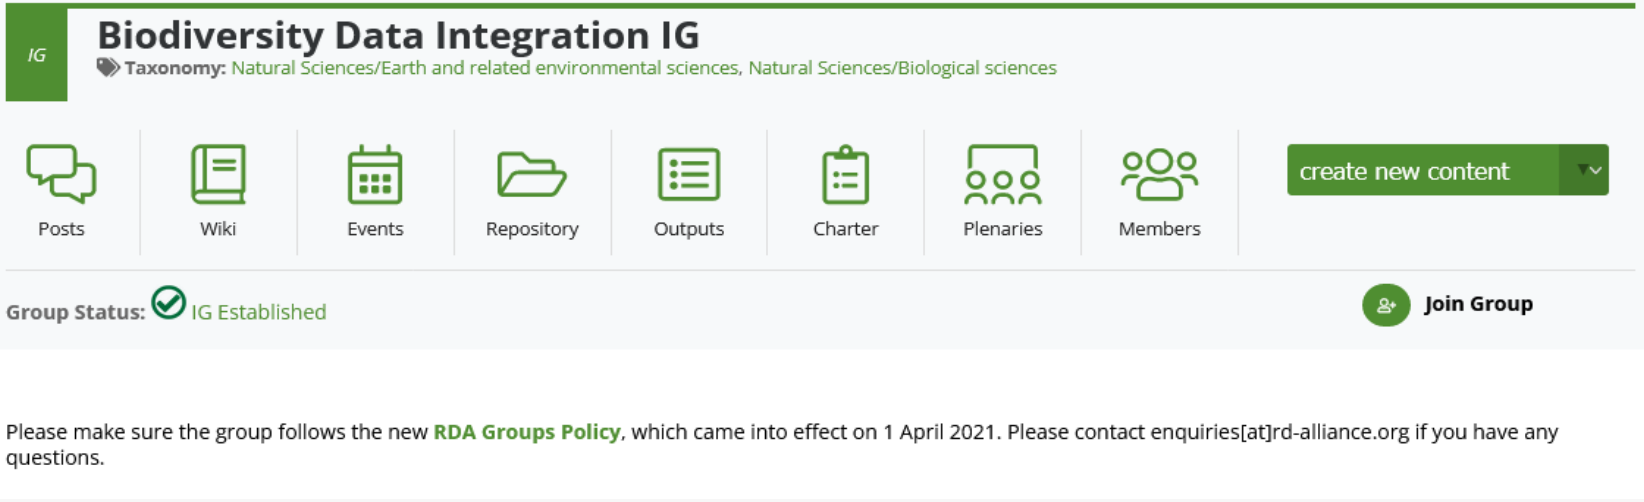
Funding to support events

Interest Groups

Home » Groups » Interest Groups

Group Title	Chair(s)
Active Data Management Plans IG	David Giaretta, Kevin Ashley, Tomasz Miksa, Elli Papadopoulou, Maria Praetzellis
Archives and Records Professionals for Research Data IG	Rebecca Grant, Laura Molloy, Sarah Ramdeen, Hea Lim Rhee
Biodiversity Data Integration IG	Wouter Addink, Hamish Holewa, Sridhar Gutam, Libby Ellwood

Plans to pilot provision of public-facing website presence for DARE UK Community Groups



Our Community Groups will be just part of an already thriving ecosystem: we want to simplify and not complexify the landscape!
