Criteria	Weighting
1.0 Compliance Checking	PASS/REJECTED
2.1 Proposed approach to meeting the call requirements	25%
2.2 Applicant and team expertise and capability to deliver the work	20%
2.3 Proposed project plan, including public involvement and engagement (PIE) plans if appropriate	35%
2.4 Resource allocation and cost justification	20%
Total	100%

### 3. Score definitions

Each criterion is scored from 0-5 in accordance with the score definitions below:

- 0 - Absent or does not meet the criterion in any respect
- 1 - Response has significant major shortcomings and clear deficiencies, which on balance outweigh positive aspects that meet some of the criterion requirements
- 2 - Response has multiple shortcomings and/or deficiencies, which are balanced with the positive aspects that meet some of the criterion requirements
- 3 - Response has minor shortcomings and/or deficiencies, but on balance, these are outweighed by the positive aspects that meet the majority of the criterion requirements.
- 4 - The response meets most aspects of the criterion with only very minor shortcomings or deficiencies
- 5 - The response meets the criterion in all material respects
